BUILDING CONSENT INFORMATION CHECKLIST

INSTALL DISHWASHER

Application details required before a building consent can be processed by Council staff

- Two (2) full copies of all plans and specifications are required (one (1) for Council files and one (1) will be returned.
- Full, to scale, floor plan of the building showing the position of the dishwasher. (If the sink bowl is changing position as a result of kitchen alterations, show the existing position dotted on the plan and the new position also).
- If there is building work relating to kitchen alterations, full details are required.
- Plumbing layout and job specific specification indicating how the installation will comply with the building code.

NB: Unsatisfactory floor plans, inadequate specifications covering all trades, and a lack of job specific details may cause delays in issuing of consents.
