

How to use Circular Bus Routes

FREE
BUSES

The Rosedale/Windsor, Hawthorndale/Waverley, Newfield/Heidelberg, Clarendon/Clifton routes offer **circular services**.

This means that if you wish to go to town, you have a choice of boarding the bus departing the **suburb** direct for town, **or** the bus departing the city, which will also take you to town via the neighbouring suburb.

To catch the bus which departs from the city, it simply means you cross the street and board the bus that is heading out of town (depart city on timetable).

When you wish to go home from town you again have a choice of two buses – the bus going directly to your suburb, **or** the bus that goes via your neighbouring suburb.

Both will take you home.

The circular services give you twice the number of services to and from town. So, no matter what direction the bus is travelling “flag it down”, it will bring you to town.

PLEASE NOTE: *Services operate Monday to Friday and Saturday.*

They DO NOT operate on Public holidays or Sunday.

 **Bus Waiting Rooms at the Information Centre at Wachner Place, Dee Street.**
