NOTICE OF REQUIREMENT FOR DESIGNATION

Sections 1681A,169 and 181, Resource Management Act 1991

The Invercargill City Council has received a notice of a requirement for a designation from:

Space Operations New Zealand Ltd

The requirement for designation is in respect of airspace and land surrounding the Awarua Satellite Ground Station.

The proposed designation is as follows:

- A restriction on any built form that would protrude through an angle of 5 degrees as measured from 2 metres above the boundary of the physical site extending out 3km in all directions excluding the coastal marine area and all public conservation land (referred to in the Notice of Requirement as a 'horizon mask').

- An Electromagnetic Interference (EMI) Limitation Area that will extend 2km in all directions (excluding the coastal marine area and all public conservation land) from the boundary of the physical site to limit emissions greater than -154 dBW/MHz at frequencies used for the reception of radio signals from spacecraft at Awarua Satellite Ground Station, as set out in Table of Radio Spectrum Usage in New Zealand (PIB 21) dated 11 June 2021 and any subsequent amendments and/or updated to this document.

The location to which the requirement for designation applies is:

The land and airspace surrounding Lot 1 Deposited Plan 483454 and Lot 1 DP 524692 held in Record of Title 837915 – located at 781 Colyer Road, and Lot 2 DP 524692 held in Record of Title 1134415 – located at 721 Colyer Road.

The Notice of Requirement may be inspected at: **icc.govt.nz/spaceopsdesignationnotice** and Ground Floor, Te Hīnaki Civic Building, 101 Esk Street, Invercargill
